### REPORT CARDS

Term 1 Report cards come home February 9th. Please take the time to review with your child their strengths and next steps and complete and return the feedback form on the report card so that we can all support your child in achieving their goals over the next term. Students are more successful when school and home work together. There is no formal interview time but if you wish to set up an interview with your child's teacher, please set up an appointment via email, a phone call or a note in the agenda. Remember to return the envelope so we can re-use it next term.

### KINDERGARTEN OPEN HOUSE

A very successful Kindergarten Open House was on Thursday, February 1, 2018! Many new Forestview Falcons registered for September! If you have not registered your child yet, please do so at the office. You will require a copy of your child's birth certificate and proof of address. Welcome Class of 2032!

Our entry time is 9:05 am and dismissal is at 3:25 pm. Please ensure that you carefully navigate your way through the parking lot during drop-off and pick-up times as it can be congested during these times. Parking regulations will be strictly enforced.

**Please, park only in marked / designated parking spots in the parking lot.**

**SAFETY IS OUR NUMBER ONE CONCERN.**

**A reminder that Supervision starts at 8:50 am in the morning. With the cooler weather upon us, please ensure your children dress appropriately for the cold as they may not come into the building before the bell.**

### OFFICE INFORMATION

Mrs. Stevenson, Ms. Vegh and Mrs. Wilson, our Administrative Assistants, are in the office from 8:00 am to 4:00 pm each weekday. **Please inform the office of all absences. A message can be left at 905-354-6261 at any time of the day or night.** While we do appreciate that there are sometimes unforeseeable circumstances that arise, we ask that you please make afterschool arrangements with your child prior to the school day to avoid phone calls to the office. Thank you in advance for your cooperation.

## STOP THE SPREAD OF INFECTION

- Stay home if you are sick and return when you are well
- Wash your hands with soap and water or use a hand sanitizer
- Cover your cough or sneeze with a tissue or in your sleeve
- Keep your distance
- Get a flu shot

For more information, talk to your school nurse or go to [Niagara Region Public Health](#).

## INCLEMENT WEATHER

There may be times during the school year where inclement weather or other situations could cause transportation cancellations or school closures. At times when student transportation has been cancelled and schools remain open, the decision of whether or not to have children in school on that day rests with the parent or guardian.

**Should you decide not to send your child to school in the event that transportation is cancelled but schools remain open, or if your child is ill or late, please ensure that you call your child's school to inform them of your child's absence.**

A key resource in any emergency is the DSBN Emergency Information form that you filled out at the beginning of the school year. Please let the school know of any changes in contact information or procedures you wish to be followed throughout the school year.

Information about transportation cancellations and school closures will be available as soon as it is available through the following channels:

[www.nsts.ca](http://www.nsts.ca)
